7. SUPERINTENDENT'S REPORT

Superintendent Olney shared that he attended the Plugged In event on Saturday, October 14, 2017 @ Oak Hills High School and that he was pleased with the over 265 attendees who participated. He thought it was an absolutely amazing event and the Keynote Speaker, Thomas Murray, was fantastic - knocked it out of the park. He popped into several sessions and was impressed with the excellent jobs that our teachers did with their presentations.

He mentioned a couple of upcoming events:

Thursday 10/19 - Great American Shake Out
Key Game - Scorpions v. Sultans @ Hesperia High Friday @ 7pm

He also shared that he and a few board members had the opportunity to attend the Hesperia Chamber State of the City Luncheon which was a wonderful event. There are a lot of great things going on in our community and one of the wonderful events was that our very own Ella Lee Rogers was recognized as an outstanding community member for her years of service.

8. BOARD MEMBER REPORTS

Board Member Rogers shared how much she has enjoyed attending athletic events this year and her appreciation for the time and work that coaches and parents contribute to sporting events and activities. She wanted to commend all our sports programs that we have in the District.

Board Member Swanson reported that he attended the County State of the Education Address last Friday. He shared that Superintendent Alejandre spent a good deal of time talking about Hesperia Unified School District and our Robotics program. He also stated he was impressed with the number of people who attend the High Desert Address. He attended the Hesperia Chamber of Commerce's Luncheon and congratulated Board Member Rogers on her recognition. He also attended several football games which have been wonderful and not too cold. Lastly, Board Member Swanson spoke about the Plugged In event and how great Thomas Murray was. Every teacher he talk to loved what Thomas had to say and felt he was very motivational. It was exciting to not only see how many of our teachers attended, but teachers from other districts attending as well.

Board President Kittinger congratulated Board Member Rogers for her award and stated it was very much deserved. She also reported that she attended the State of Education Address and it was phenomenal. Board President Kittnger thought that Thomas Murray was outstanding at Plugged In. She reminded everybody that Oak Hills High School is hosting their College Application Day on Wednesday, October 18 from 8:00 a.m. - 12:00 p.m. and invited everyone out to help. Everyone is welcome.

10. HEARING FROM THE AUDIENCE

This is the time and place for the general public to address the School Board on any matter within the jurisdiction of the Board. State law prohibits the School Board from taking any action on any issue not previously included on the Agenda. The School Board may receive testimony and set the matter for a subsequent meeting. Please limit comments to five minutes per individual.

The Board respects the right of members of the public to speak to the Board regarding matters on the agenda and other matters within the jurisdiction of the Board. Derogatory comments made at a Board meeting, which are repeated outside the context of a Board meeting, may be actionable as defamation.

In addition, the Board wishes to make clear that it is bound by the limitations set forth in Government Code Section 54957, which states that when specific complaints or charges are to be made against a District employee, such employee has the right to have such complaints heard in closed session and to be given prior notice that such complaints will be heard by the Board.

Therefore, members of the public who wish to lodge complaints against District employees are reminded that the Board cannot properly consider such complaints without giving prior notice to the named employee.

The Board also would like to remind anyone who wishes to lodge a complaint against a District employee that there is an existing Board adopted Policy in effect specifically for this purpose. This policy contains a comprehensive procedure for reviewing and investigating public complaints, which includes a right of appeal to the Board.

This process provides a much more thorough opportunity for the complainant and the employee to be heard and the merits of the complaint to be properly investigated.

Anyone who wishes to receive a copy of this Policy may contact the Superintendent's office.

Bylaw 9323(b) states that a person wishing to be heard by the Board shall first be recognized by the President and shall then proceed to comment as briefly as the subject permits. Individual speakers shall be allowed a total of five minutes to address the Board before closed session and a total of five minutes during the open session of the meeting on any agenda or non-agenda item. The Board shall limit the total time for public input on each item to 20 minutes. With Board consent, the President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. We have now incorporated the use of Speaker's Cards into our procedures for addressing the Board. If you wish to address the Board and have not completed a Speaker's Card, please obtain one from the Recording Secretary.

There were no comments from the audience.

11. CONSENT LIST

It is recommended that the Board of Trustees consider approving a number of Agenda items as a consent list. Consent items are routine in nature, and can be enacted in one motion without further discussion. The Board may request that certain items on the Consent List be pulled for separate discussion and/or action. The Board is asked to approve the Consent List as submitted or amended.
