10. SUPERINTENDENT'S REPORT

We have arranged with First Student to transport HHS students when they have events, such as theater, at our other high schools.

The Band Spectacular at Sultana on November 6th was a fantastic performance, as usual. It's always so fun to see the young musicians mingling with the more experienced ones. It was also nice to see some of our graduates now performing with the RCC Tigers. The collective performance with all levels of our schools was incredible.

The Calendar Committee is surveying all staff, parents, and students regarding possible changes to our school calendar. The surveys will remain open through this Thursday.

We hosted our Principal for a Day event on November 21st, and the comments at the luncheon were great to hear. They were impressed with our coherence and collaborative teaching methods, as well as how engaged and polite our students were.

We are proud to announce that Lime Street Elementary and Juniper Elementary were both recently recognized as being a Unified Champion School by the Special Olympics! This is an honor bestowed upon schools who have excelled at being a Special Education inclusion and engagement school campus-wide.

The Sultana High School Black & Teal Brigade set a new school record on November 23rd and they are now the 2019 California State Grand Championship Silver Medalists! Congratulations, to the Black & Teal Brigade!

This last Saturday, December 7, the PCC Scholastic Book Sale & Holiday Gift Boutique both took place @ Hesperia High School. The book sale raised over \$11,000 for scholarships and SPAMS raised an additional \$425 in scholarship money! Thank you to all who supported those scholarship fundraisers!

Upcoming events prior to next board meeting:

This Friday, December 13 – Jolly Parade – 4pm-7pm (beginning at Maple with stops at Topaz, Mission Crest, Mesquite Trails, Kingston, and Juniper schools, then ending at Civic Plaza Park at approximately 7pm)

Christmas Break will be from December 20 - January 3rd, returning to school on January 6th

13. HEARING FROM THE AUDIENCE

This is the time and place for the general public to address the School Board on any matter within the jurisdiction of the Board. State law prohibits the School Board from taking any action on any issue not previously included on the Agenda. The School Board may receive testimony and set the matter for a subsequent meeting.

The Board respects the right of members of the public to speak to the Board regarding matters on the agenda and other matters within the jurisdiction of the Board. Derogatory comments made at a Board meeting, which are repeated outside the context of a Board meeting, may be actionable as defamation.

In addition, the Board wishes to make clear that it is bound by the limitations set forth in Government Code Section 54957, which states that when specific complaints or charges are to be made against a District employee, such employee has the right to have such complaints heard in closed session and to be given prior notice that such complaints will be heard by the Board.

Therefore, members of the public who wish to lodge complaints against District employees are reminded that the Board cannot properly consider such complaints without giving prior notice to the named employee.

The Board also would like to remind anyone who wishes to lodge a complaint against a District employee that there is an existing Board adopted Policy in effect specifically for this purpose. This policy contains a comprehensive procedure for reviewing and investigating public complaints, which includes a right of appeal to the Board.

This process provides a much more thorough opportunity for the complainant and the employee to be heard and the merits of the complaint to be properly investigated.

Anyone who wishes to receive a copy of this Policy may contact the Superintendent's office.

Bylaw 9323(b) states that a person wishing to be heard by the Board shall first be recognized by the President and shall then proceed to comment as briefly as the subject permits. Individual speakers shall be allowed a total of five minutes to address the Board during public comment in open session on any agenda or non-agenda item, and no more than three minutes on any agenda item following a motion and a second on the item, prior to Board discussion. The Board shall limit the total time for public input on each item to 20 minutes. With Board consent, the President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

The following addressed the Board:

1. Tina Viayra: Class size, Collab classes and funding.
2. Barbara Howard: Health insurance.

14. CONSENT LIST

It is recommended that the Board of Trustees consider approving a number of Agenda items as a consent list. Consent items are routine in nature, and can be enacted in one motion without further discussion. The Board may request that certain items on the Consent List be pulled for separate discussion and/or action. The Board is asked to approve the Consent List as submitted or amended.
