Subject: Discussion/Action - Second Reading and Adoption of Revised Administrative Regulation 3541 - Transportation Routes and Services

RECOMMENDATION/SUGGESTED MOTION:

The Board adopt Revised Administrative Regulation 3541 -Transportation Routes and Services, as submitted.

BACKGROUND:

Attached for your review is the revised Administrative Regulation 3541(a). Current district practices determine if a student is eligible for transportation services from their home address to the school they are enrolled in.

Staff noted that the Administrative Regulation 3541(a) states that this eligibility is determined by their established bus stop.

RATIONALE:

Staff is recommending the alignment of current practices within Administrative Regulation 3541(a), by deleting the phrase "school established bus stop" and replacing with "home."
