
HESPERIA UNIFIED SCHOOL DISTRICT PURCHASING/FACILITIES

To: David Olney, Superintendent
From: Dr. George Landon, Assistant Superintendent – Business Services
Date: September 09, 2019
Subject: Approval of Surplus Property

RECOMMENDATION/SUGGESTED MOTION:

The Board approve as surplus the items on the attached list of District property with an estimated value under \$2,500. Further, authorizes Virginia Gutierrez or Matt Machado to dispose of said items in an appropriate manner in accordance with Education Code 17540-17555

BACKGROUND:

The items listed have passed their useful life to the relinquishing site and were made available to other sites in the District. Many of the items on the list are in unsatisfactory condition and are no longer suitable for school use.

Surplus electronic equipment is processed and disassembled according to CAL EPA laws and regulations. The District is paid by the pound for the recycling. Amounts vary by volume.

RATIONALE:

As per Education Code 17545-17555 & 39518, the Governing Board shall declare as surplus those items determined to no longer be useful to the District. The items listed serve no useful purpose to the District and therefore it is in the District's best interest to generate revenue by selling said items and disposing of items with no value.
