Subject: Discussion/Action - Adoption of Resolution No. 2019/20-16 for GANN Limit

RECOMMENDATION/SUGGESTED MOTION:

The Board adopt Resolution No. 2019/20-16 "GANN" limits for the 2018/19 (actual) and 2019/20 (estimated) fiscal years, as submitted.

BACKGROUND:

In November of 1979, California voters approved Proposition 4, an initiative that added Article XIII B to the *California Constitution*. This constitutional amendment, known as the GANN Initiative, placed limits on the growth of expenditures for publicly funded programs. Division 9 of Title I, beginning with Section 7900 of the *Government Code*, was then added to law to specify the process for calculating state and local government appropriation limits and appropriations subject to limitation under Article XII B of the *Constitution*. These constitutional and statutory sections explain and define the appropriations limit and appropriations subject to limitation as they apply to state and local government, and require that each entity of government formally "adopt" its appropriations limit for a given fiscal year.

RATIONALE:

By September 15 of each year, *Education Code* section 42132 specifies that each county office and district governing board adopt a resolution identifying their estimated appropriations limits for the current fiscal year and their actual appropriations limit for the preceding fiscal year.
